## **IMPORTANT NOTICE REGARDING YOUR TELECOMMUNICATION SERVICES**

Dear Global Capacity Customer,

We are happy to share some exciting news about upcoming changes to your telecommunications services. We are pleased to announce that, following required approval processes, anticipated within the next 45 days, your telecommunications services, currently provided by Global Capacity, will transition and will be provided by Global Telecom & Technology Americas, Inc. ("GTT") on a going forward basis.

GTT is an experienced telecommunications carrier providing wide-area network and wireless mobility services to more than 300 enterprise, government and carrier clients in over 70 countries, worldwide. GTT intends to continue the fine level of customer service you expect and have received from Global Capacity. GTT's goals are simple: deliver superior customer service and solve your telecommunications needs.

Global Capacity, the world's leading telecommunications information and logistics company, is effecting these changes to enable the Company to further invest in the expansion of its One Marketplace network strategy enabled by its unique intellectual property and systems. Global Capacity and GTT insure that you will continue to receive world class support for these transitioned critical services.

No action on your part is required.

A formal notification, including a detailed inventory of services that are transitioning as well as any contractual, legal, or regulatory requirements, has been sent to your company under separate cover.

Your services will not be affected, and there will be no fees applied in connection with the transfer of your service. As a GTT customer, you will continue to receive your same services at the same rates, terms and conditions. Notice of any future changes in rates, terms and conditions of service will be provided to you as required by law.

The transfer is expected to be completed within the first quarter of 2010, provided that the necessary regulatory approvals have been obtained. At that time, GTT will become your service provider. If you have a term contract with Global Capacity, you will still be responsible for any applicable early contract termination charges if you choose a service provider other than GTT.

**NOTE:** If you have placed a "freeze" on your Global Capacity services to prevent their unauthorized transfer to another carrier, it will be automatically lifted to implement the

transfer to GTT. You must contact your new local service provider (GTT or other local service provider that you choose) to reestablish freeze protection for you after the transfer.

If you have any questions or concerns with respect to service needs, complaints or billing issues, you can call Global Capacity at (888) 482-4669 option 3 prior to the transfer, or GTT at (866) 250-3887 following the transfer.

We thank you for being a loyal Global Capacity customer, and we are confident that you are in good hands with GTT going forward.

Respectfully,

Patrick C. Shutt  
CEO  
Global Capacity

Cordially,

Rick Calder
